WIRELESS INTERNET - CLEAR NETWORK

Broadband 512/128	from \$150 per day
Broadband 1mb/256	from \$250 per day

~ Wireless internet is available throughout the grandstand with any notebook that has wireless connectivity. Your Account can be set up prior to your event or once you are at the venue and paid online via credit card

~ All prices are 10% GST inclusive.

~ Prices are charged on a per item per day basis.

~ Hourly set up charges may apply and will be quoted on an individual case basis.

~ * A technician set up fee of \$240 will apply when event AV requirements are considered complex or multiple technologies are required. An AV Technician will be onsite for arrival to ensure both internal & client provided equipment is set prior to event commencement.

Valid until 31st July 2009
